The best place in my house

The best place in my house is the livingroom. Last week my dad bought a big and very comfortable sofa and a small table for the livingroom. It was really expensive. I sometimes watch TV before school and after school. Sometimes I sleep on the sofa and it is warm and nice to sleep there. Between the table and the sofa there is a beautiful rug. Lots of pictures cover our walls, too.

My room (Ben Sailer)

In my room I've got a bed, a TV, a couch, an e-scooter, a gaming chair, a desk, a shelf and a swinging couch. During home office I wake up and walked to my desk. There I sometimes watch TV on my couch. But sometimes I sleep or swing in my swinging couch, and also that I use my e-scooter for visiting my friends. But I never forget my homework later on.
